

Katina is a dynamic pop goddess with explosive creativity and a unique, captivating presence. Her warm, confident, sexy voice is an unforgettable trademark.

A Juilliard-trained cellist since age twelve, Katina has appeared solo in high-profile venues across the world such as Carnegie Hall, and the 2025 World Expo in Osaka, Japan.

Brave, radiant, and full of heart, Katina is a proud Greek-American from Philadelphia, Pennsylvania. At just nineteen, her tireless rise to the top is guided by integrity, invincibility, and boundless joy.

Katina is a creative visionary propelling every project she undertakes.

"Katina isn't just stepping into the spotlight, she's setting the stage ablaze. 'New Love' may be the beginning, but it sounds like the arrival of an artist who's already found her voice. Katina is not just emerging she's erupting."
